National Concession Company is the exclusive concessionaire for the Millville Air Show. They serve over 40 events annually including auto racing, air shows, balloon festivals and concerts. Non-Profit organizations raised over a half million dollars in 2016 from National Concession Company. All you need are volunteers to prepare and serve. **They provide all the tents, equipment, food supplies and management.** They supply and keep you organized during the day to maximize your sales. **Menus are simple stadium style that requires minimum preparation, so no experience is necessary.**

The booth normally require 12 people per day (16 and older) from 8:30 am to 6:00 pm Saturday and/or Sunday, and 1 team leader who will be the point of contact and will organize their team. There are limited booths that require only 5-7 people per day. The team leader needs to be there all day from 8:30 am to 6:00 pm. Your organization will receive 10% of the gross sales or a **minimum of \$250.00** from each booth you staff each day. Meals and admission are free and you will enjoy the event since your booth is the best seat in the house.
